

ARTISTRY[®] STEEL

Model AR2SU Shown in Black with REC12 Windows

Artistry[®] Steel garage doors feature strength and energy efficiency as well as a beautiful carriage house appearance at a more affordable price. Create a look that complements your home by selecting the panel size, window or solid top section design and add decorative hardware to give it that one-of-a-kind look. Available with or without insulation, it is virtually maintenance-free, so the first impression becomes a lasting impression.

DOOR DESIGNS

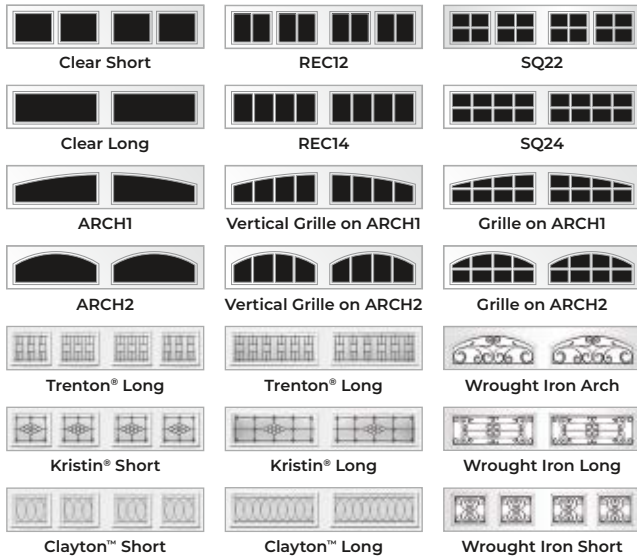

Short Panel

Long Panel

WINDOWS/TOP SECTION OPTIONS

Double door designs available.
Acrylic windows require special cleaning. Never use products that contain ammonia or petroleum products to clean acrylic. Please visit holmesgaragedoor.com/acrylic for complete details.

CONSTRUCTION AND FINISH

- Deep embossed stamped steel carriage house designs in short and long panel styles.
- Six construction types to choose from:
 - Three-layer construction with 2" thick Intellicore® polyurethane insulation (18.4 R-value)
 - Three-layer construction with 1-3/8" thick Intellicore® polyurethane insulation (12.9 R-value)
 - Three-layer construction with 2" thick polystyrene insulation (9.0 R-value)
 - Three-layer construction with 1-3/8" thick polystyrene insulation (6.5 R-value)
 - 24 or 25 gauge steel, two-layer construction, 1-5/16" thick polystyrene insulation (6.3 R-value)
 - 24 or 25 gauge steel, one-layer, non-insulated construction
- Note: 25 gauge available only in short panel.*
- Many window options available.
- Ultra-Grain® Finish available on select three-layer models.

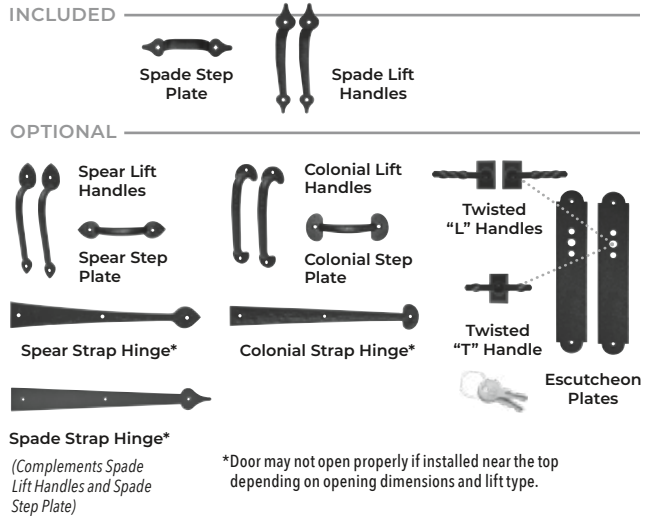

COLOR OPTIONS

Due to the printing process, colors may vary.

*Not available on all models; contact customer service for availability.

DECORATIVE HARDWARE

Spade Strap Hinge*
(Complements Spade Lift Handles and Spade Step Plate)

*Door may not open properly if installed near the top depending on opening dimensions and lift type.
