Designer Inserts

Architectural Series

Contemporary Slim

CONTEMPORARY WINDOW OPTIONS

Short Clear Windows
down right side

Long Clear Windows
in all panel locations

Slim Windows
down left side

Available only on Modern Series models.

NOTE: Contemporary window configurations are described from inside the garage looking out. Contemporary window configurations are available in many design options, including windows in each section and down one side, short, long and slim windows or windows in all sections. For doors with multiple window sections, the window locations must be the same in every section.

Door models offering these configurations utilize 24" and 21" section heights.

COLOR OPTIONS

*Not available on all models; contact customer service for availability. Due to the printing process, colors may vary.

ULTRA-GRAIN® PLANK

Kona Finish

Coastal Gray Finish

Available in Kona or Coastal Gray finishes that complement mid-century, farmhouse, coastal cottage and transitional home styles.

Exterior steel surface has a wood-look plank design that runs horizontal, with clear and simple lines.

Optional windows available in color matched frames or as a standout in Silver and Black accent colors.

Not available on all models; contact customer service for availability. Due to the printing process, colors may vary.
