

intelligo^{re}®

insulation technology

Quieter

Dense insulation reduces noise by up to 16 decibels

Warmer

Energy efficiency provides year-round comfort

Stronger

Enhanced strength resists everyday wear and tear

Warmer. Quieter. Stronger.

Garage doors featuring Intelligo^{re} insulation technology represent the ultimate smart choice for homeowners.

Intelligo^{re} by Holmes Garage Door Company is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability.

Its dense insulation also produces a quieter door, while its industry-leading R-values (up to 20.4) provide year-round comfort and improved energy efficiency.

LEADERS IN

STYLE, SELECTION & CRAFTSMANSHIP

Warmer

Intellicore-equipped doors have some of the highest R-values in the industry, up to 20.4. In cold climates, Intellicore helps keep your garage and home warmer. Alternatively, in hot climates, it helps keep the warm air out. At its core, a Holmes garage door with Intellicore is energy efficient, making your garage and home more comfortable all year long.

Quieter

Intellicore-equipped doors are simply quieter. Just shake a non-insulated garage door and then an Intellicore door and you'll hear a big difference in noise levels. This means that common occurrences, such as a ball hitting the garage door, will be uncommonly quiet with an Intellicore door.

Stronger

Scientific tests show that a Holmes garage door section featuring Intellicore insulation is nearly twice as strong as a polystyrene door section of the same thickness. This enhanced rigidity provides greater resistance to everyday wear and tear. Essentially, a Holmes door with Intellicore will look better, longer.

intellicore® Availability Chart

Collection/Series	Models	Style	Layers	Construction / Material
Glenmoor™ Collection Limited Edition Series	All Models	Carriage House	5 Layers	Steel + 2" Intellicore® Polyurethane Insulation + Steel + Cladding + Overlay
Glenmoor™ Collection Ultra-Grain® Series	All Models	Carriage House	4 Layers	Steel + 2" Intellicore® Polyurethane Insulation + Steel + Overlay
Settlers® Collection	All SXU Models	Carriage House	4 Layers	Steel + 2" Intellicore® Polyurethane Insulation + Steel + Composite
Artistry® Collection	AR2SU, AR2LU, AR1SU, AR1LU	Carriage House	3 Layers	Steel + 2" or 1-3/8" Intellicore® Polyurethane Insulation + Steel
Contemporary Collection Steel Series	7202, 7201, 7208, 7205, 7209, 7132, 7131, 7138	Modern Flush and Modern Grooved	3 Layers	Steel + 2" or 1-3/8" Intellicore® Polyurethane Insulation + Steel
Gold Series – Residential	7200, 7203, 7130, 7133	Short and Long Elegant	3 Layers	Steel + 2" or 1-3/8" Intellicore® Polyurethane Insulation + Steel
Gold Series – Commercial	240U, 210U	Shallow Ribbed, Short and Long Elegant	3 Layers	Steel + 2" or 1-3/8" Intellicore® Polyurethane Insulation + Steel
